## Field Trip to Medicine Lake

### National Wildlife Refuge

by: Ryker MacGrady

On September 19th, we went to Medicine Lake to the refuge. At Medicine Lake we learned about birds and plants. In fact, Medicine Lake got its name because the plants have vitamins and medicine in it. We also went down to the beach. When we were on our way back to the building we climbed the fire tower. When we got back inside we played bird bingo. We got to make clay molds of deer hooves. Afterward, we ate lunch at the Honker Pit.

On September 27th, we went to the Williston Pumpkin Patch. We got to see a cat, pigs, and peacocks. We jumped on a big blob. We got to go on a zipline and we drove go karts for a long time. We got to go on rides like merry-go-rounds. After we ate at Slim Chickens, went to the park, and got ice cream at Coldstone.

# Assemblies

On September 30th, the school went to Rau School for an assembly. A guy came and told us stories and played songs for us. Our favorite song was the one about a baby bumblebee. After that day, the whole school sang the bumble bee song weeks after that.

On October 9th, we had the fire department come out because it was fire safety. They gave us pencils. We had to go through fake smoke to get out of the school. It was hard to see through the smoke, and it smelled horrible. The firemen showed us the firetruck and told us about safety.

On October 3, it was the Sidney Eagles Homecoming parade. We stood on the corner of Willow Collective. I got candy such as suckers, SpongeBob gummy patties, and snickers. The candy was delicious. I also got a pom-pom and a ball. I heard the high school band playing the schools song. I also heard trucks honk and the fire truck siren. I saw Shelby and my cousin Mariyah on the FFA float. The weather was warm and breezy. We had a terrific time at the parade.

On September 17th, I cooked pancakes, bacon, and eggs. We had sugar cookies for dessert and everybody liked them. My cookies were huge and that was the best part.

HAPPY BIRTHDAY

by: Katrina Murschel

On October 10th, we celebrated my birthday. I had pizza and cupcakes. Mrs. Jensen and Mrs. Reese gave me a cupcake popper and little rubber noodles. The cupcakes were delicious.
